Berekening en bronnen

Punten per vlucht	Elke duif krijgt de punten van zijn eigen prijsplaats per vlucht. Voor het kampioenschap worden de punten van dezelfde ring over twee vluchten opgeteld. Geen prijs op een vlucht geeft 0 punten voor die vlucht.
Twee vluchten West	N58 Lennik (19 september) en N39 Quiévrain (26 september).
Twee vluchten Oost	N68 Duiven (20 september) en N69 Boxmeer (26 september).
Districtspunten	De officiële stand 'Duifkampioenen' per ringnummer uit de tweede vluchtuitslag. Voor de duiven van Jan Kleuver en J.P. Dokter zijn de punten van de betreffende vlucht opnieuw vergeleken met district 10 respectievelijk district 7.
Maximaal 100	Op Totaal, West, Oost en ieder districtstablad staan hoogstens 100 duiven, aflopend op punten. De bronbestanden voor sommige districten tonen zelf ook slechts hun eerste 100.
Dubbele deelname	Een ringnummer dat in meer dan één wedstrijdlijn voorkomt, krijgt in de totaallijst de hoogste volledige reeks van twee vluchten. De regionale en districtslijsten volgen hun eigen wedstrijdlijn.

Bronbestanden: districtuitslagen N58/N68 en N39/N69, zoals aangeleverd.

Correctie Jan Kleuver	De negen prijsduiven op Duiven behouden hun N68-punten. De zes prijsduiven op Boxmeer zijn op snelheid vergeleken met de uitslag van district 10. Hun N69-punten per ring staan in district 8 Oost. Voorbeeld: 6-8366181 vloog 1059,593 m/min en krijgt als 495e 641,0 punten; samen met 941,2 van Duiven is dat 1.582,2.
Correctie J.P. Dokter	Alle zes Lennik- en acht Quiévrain-prijsduiven zijn per ring opnieuw op snelheid vergeleken met district 7. Buiten de prijsplaatsen krijgen zij op die vlucht 0 punten. Voorbeeld: 5-1573469 krijgt op Lennik als 43e 829,3 en op Quiévrain 0, dus 829,3 totaal. Dokters duiven blijven onder district 8 West vermeld.
